

ON 17/18

(This is a reprint of Operating Notice 18/17 issued 27Feb2017)

Wheel Stops: Brynglas and Abergynolwyn

Fixed wheel stops are installed at the exit from the sidings at Brynglas and Abergynolwyn, lockable by a standard ETN 262 padlock. A key is provided in sets issued to a Blockman on duty or any Guard.
